

Lullaby - How to get there

By Car

1. Getting close to the city center

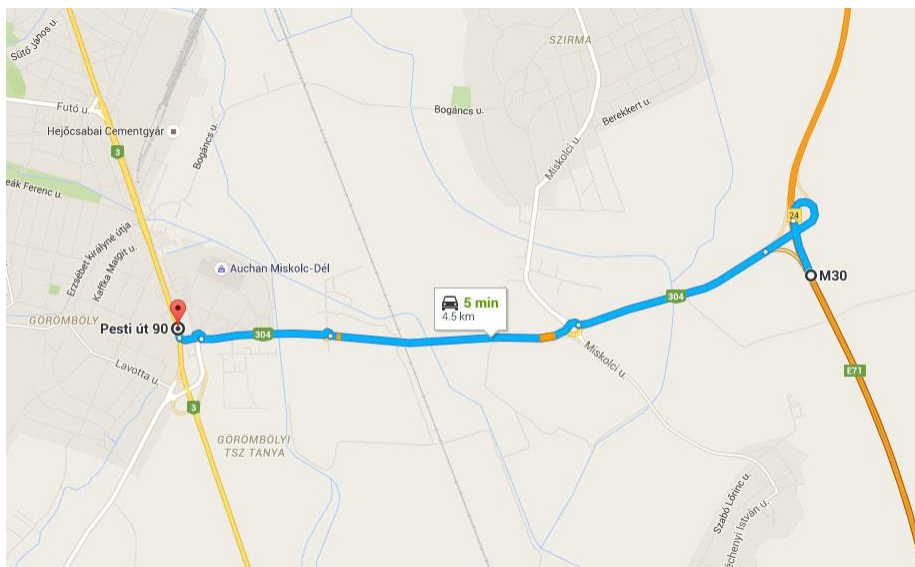

a. Motorway M30, Northern exit

After exiting the motorway you have to stay on the main road "3", that takes you to the center of the city. When you reach the great intersection (Búza tér) you have to turn right onto the main road "26", and after 200 meters, after the gas station "OMV" you have to turn left onto "Madarász Viktor" street.

b. Motorway M30, Southern exit

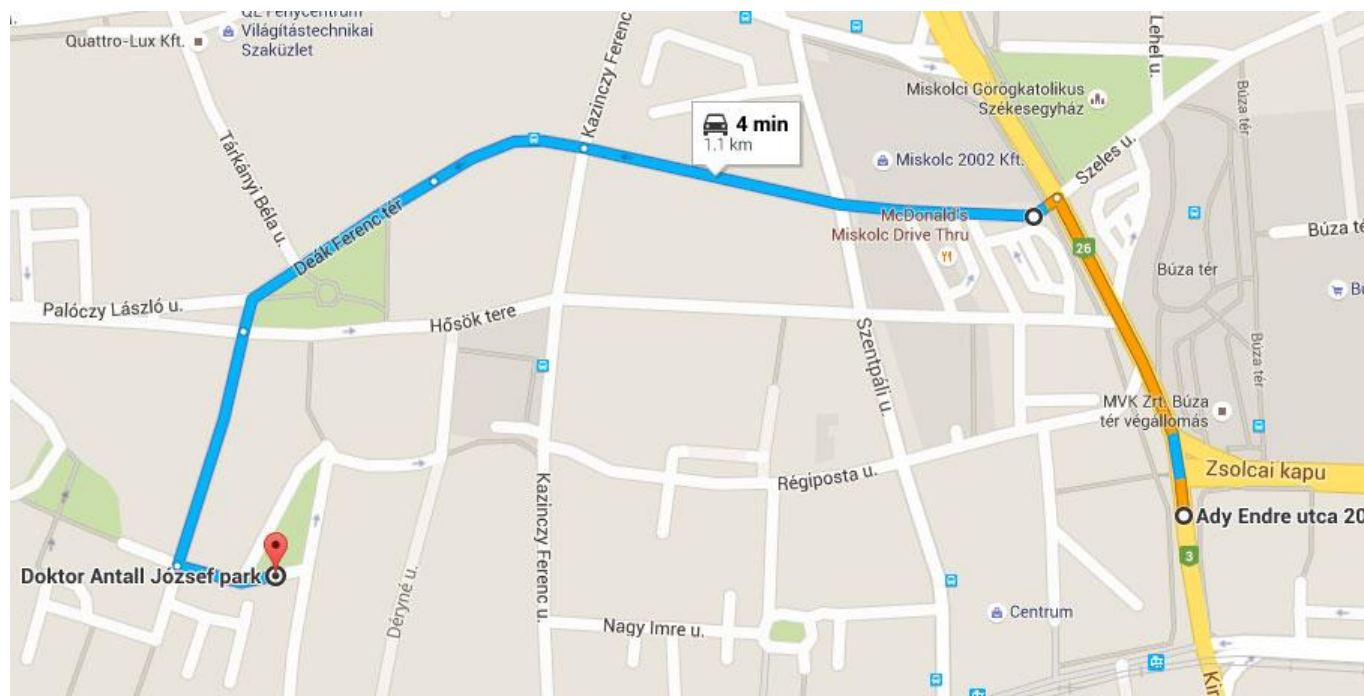

Exiting the motorway you should go on road 304. At its ends, you should turn right and keep on going north on main road "3". That road will take you to the center of the city.

When you reach the intersection at "Búza tér", the road "3" turns right.

You must keep on going straight, on road "26".

After 200 meters, you should turn left on Madarász Viktor street.

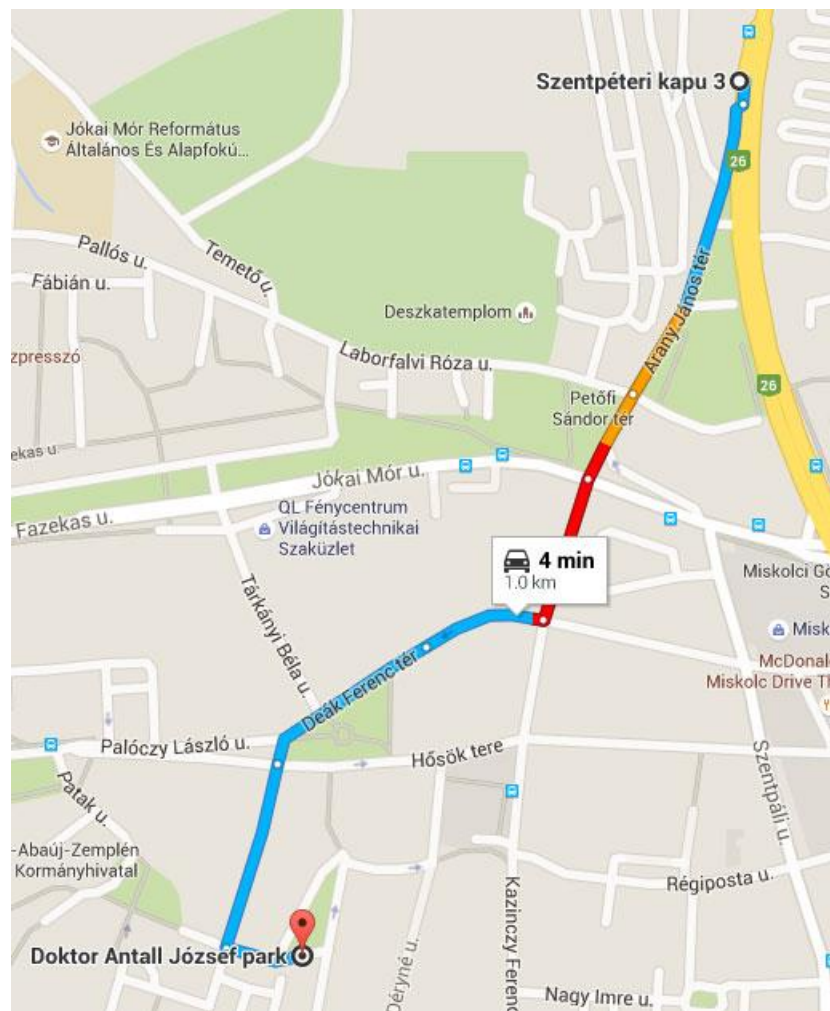

c. Main road 26, from north

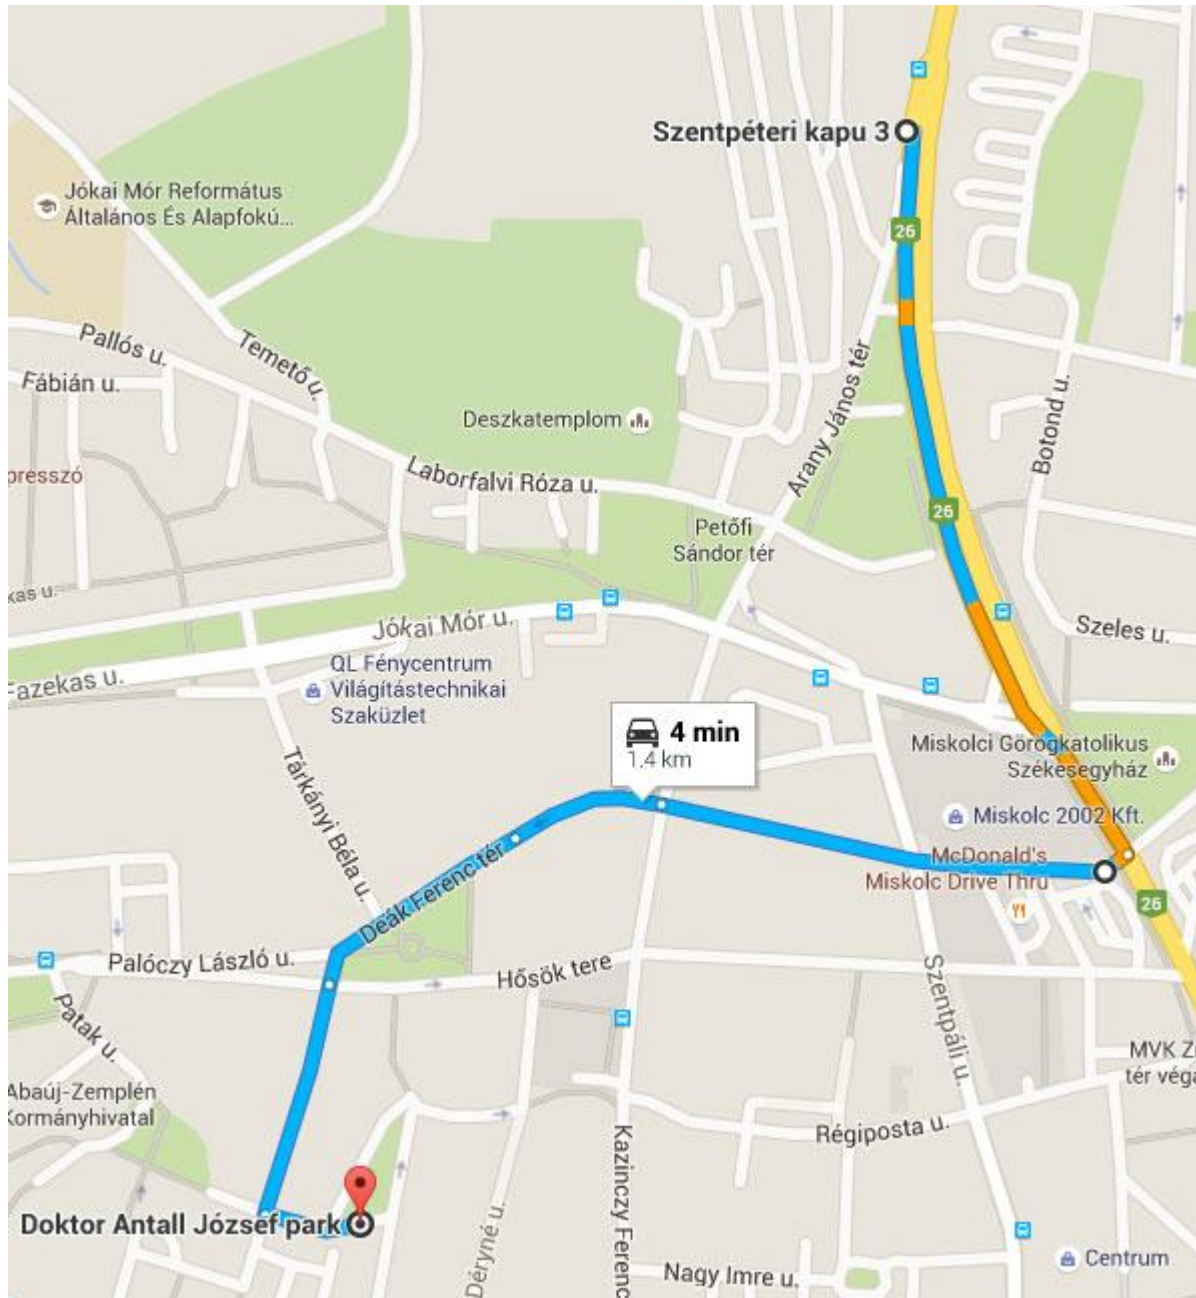

Arriving from the direction of Bánréve/Kazincbarcika (from the north) the main road "26" will take you to the city center.

There are two options available:

- Where the 2x2 lanes of the main road splits, you have to slight right onto Arany János tér, and at the second intersection with traffic lamp, you have to turn right (head west) onto Batthyány Lajos utca.

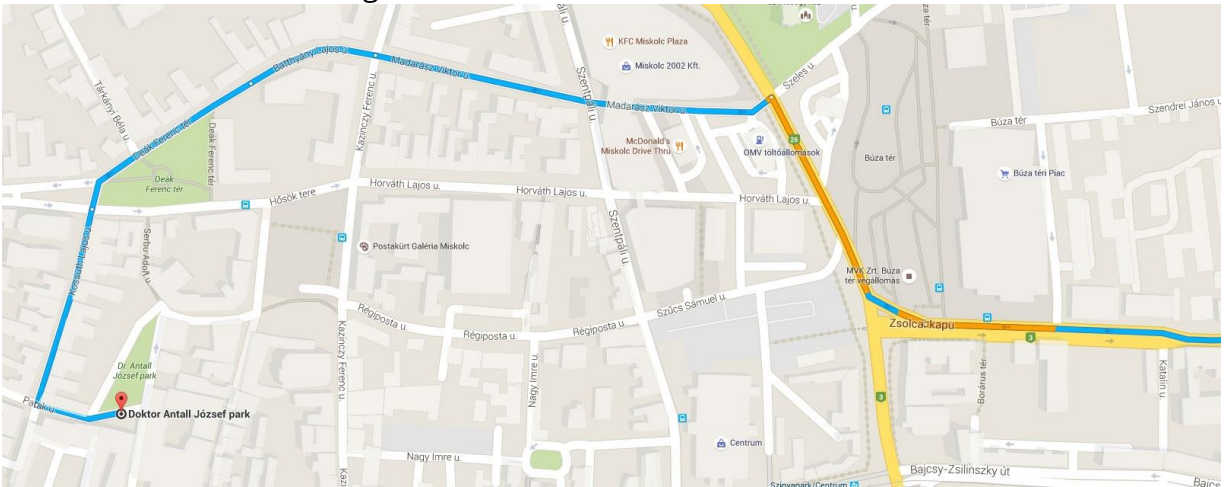

- Or you can keep on going on road 26 until you reach Búza tér. After passing by the Miskolc Plaza, you have to turn right just before the gas station "OMV" onto Madarász Viktor street.

2. From the city center to the Apartment

Once you are on Batthyány Lajos street (the Madarász Viktor street continues on this) we have to go ahead a few hundred meters. When you pass by Deák Ferenc tér (will be on your left), you have to slight left and crossing the road you should arrive to Kossuth street.

At the middle of the road you should turn left onto Patak street, that one will take you to Dr. Antall József park in 50 meters. There you will find a big black gate to the right that is the back-entrance for the building.

Using public transport

1. From the "Tiszai" railway station

The tram starts from the railway station. At the 4th stop named "Villanyrendőr" you have to get off and continue walking for another 100 meters towards the National Theater of Miskolc (that is the neighbor building for the Weidlich Palace, where the apartment is located).

2. From the bus-station in "Búza tér"

You have several options. From the Búza tér, if you get on the bus line 11, you have to get off at the stop named "Szemere kert". However, if you walk a bit and reach the tram line, get on the tram at the stop named "Centrum / Szinva park", you can go one stop to reach "Villanyrendőr". That one stop is around 200 meters in distance, so you may skip that if you don't have huge luggage. From the Villanyrendőr you have to walk 100 meters at the same direction the tram would continue to go, and you should arrive to the Weidlich Palace next to the National Theater (will be on your right).

On foot

From the "Tiszai" railway station you have to follow the track of the tram, until you reach the stop called "Villanyrendőr". That is about 2.5 kms. From the bus-station in "Búza tér" the distance is much less, about 1.0 km total.
