

# Tosca - How to get there

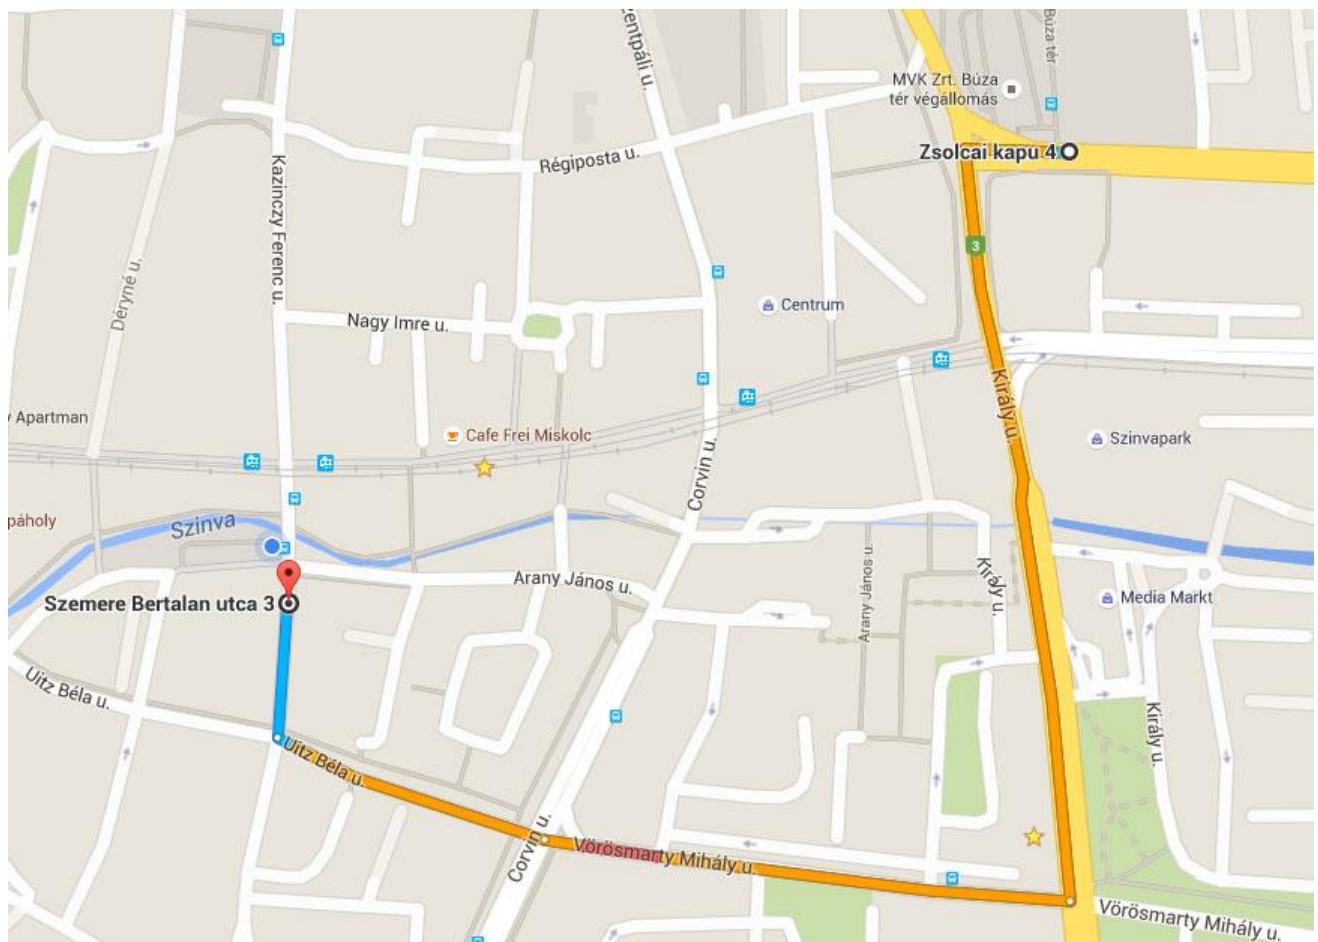

## By Car

### 1. Getting to the Apartment

#### a. Motorway M30, northern exit

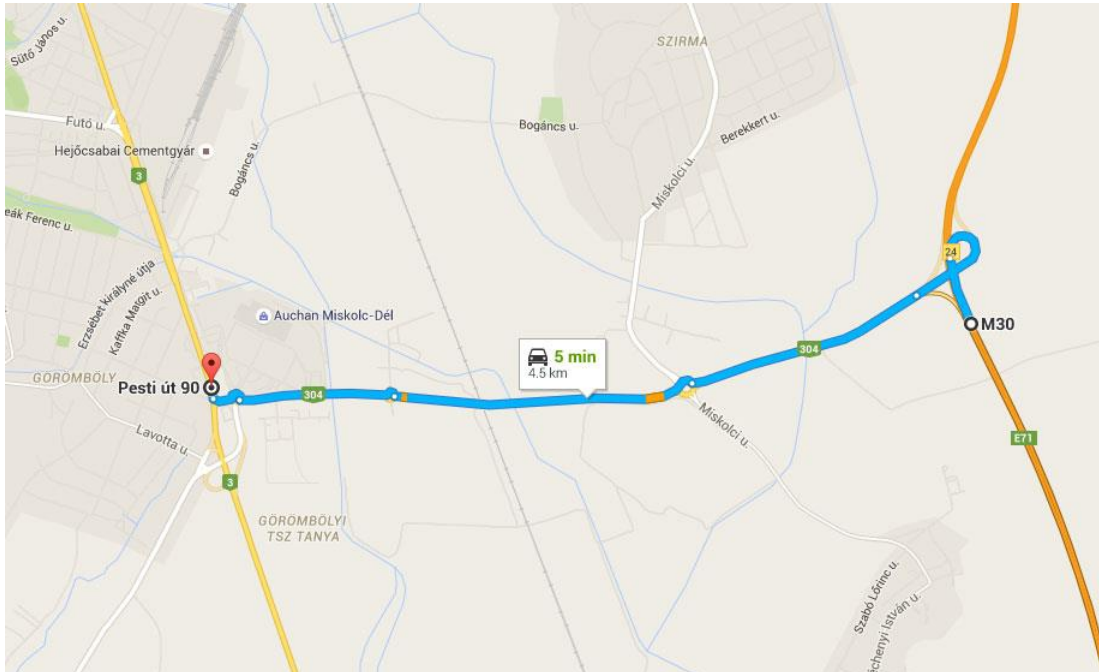

When you exit the motorway, use main road "3" to approach Miskolc. That road takes you straight to "Búza tér" in the city center.

Arriving to Búza tér, the main road turns left to the south. You should follow it and turn onto Király street. At the next big intersection you have to turn right onto Vörösmarty Mihály street, heading west. Keep going ahead and after the second big intersection with traffic lamps, turn right onto Szemere Bertalan street, heading north.

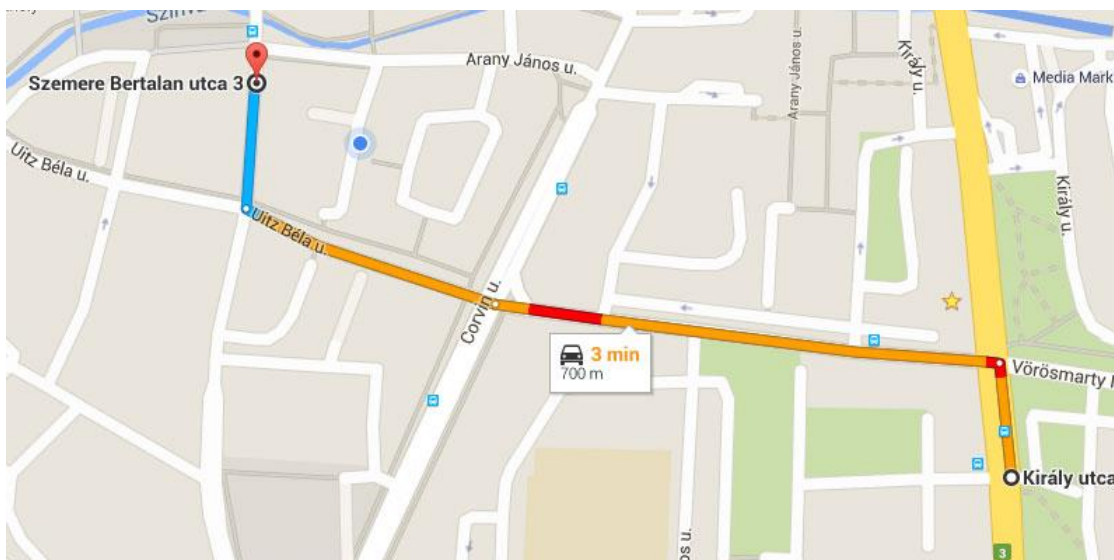

## b. Motorway M30, southern exit

Exiting the motorway road "304" will take you to the city. At the end of that road you have to turn right onto main road "3" that will take you to the city center.

When you are in the city center, you have to turn left onto Vörösmarty street, heading west. Then after the second big intersection with traffic lamps, you should turn right onto Szemere Bertalan street, heading north.

### c. From main road "26", from the north

If you arrive from north, you should go and stay all the way on road 26 that will take you to the Búza tér. There you should not turn and keep on going straight, from that point on main road "3". From this point the itinaire is the same as if you have got to the Búza tér from the northern exit of the M30 motorway.

## 2. Parking

When you pass by the taxi lane on Szemere Bertalan street, right after it in the small intersection you have to turn right onto Arany János street, and find there an empty parking spot.

On the image it is highlighted with green, where it is allowed to park your car. On weekdays between 8:00 and 18:00 hours, as well as from 8:00 until 13:00 hours on Saturday you need to pay for the parking. Other times (including Sunday all day) parking is free.

The tram starts from the railway station. You should get off at the 4th stop, named "Villanyrendőr". From there it is only half minutes of walking to the south.
